

Congratulations! You've just got engaged and now it's time to make plans for the grand finale! From stunning vintage dresses to intricately crafted organic cup cakes, this new book from Sawday's will provide you with stylish solutions with a natural twist. Make *The Natural Wedding Book* your bible for planning an eco-inspired and stress-free day.

Louise Moon, author and eco wedding designer, suggests simple how-tos and insider tips to make your day truly unique. Conveniently compiled into bite-sized chapters for each topic, it's a pleasure to dip in and out of, or enjoy a leisurely read. From selecting your beautiful gown to dressing the table, everything has been detailed with a greener consideration.
